Peculiarities of conducting admission of foreign citizens and individuals without citizenship

127. Foreign citizens and persons without citizenship have the right to receive higher education at the expense of budget appropriations in accordance with international treaties of the Russian Federation, Federal laws or established by the Government of the Russian Federation of the quota for education of foreign citizens and individuals without citizenship (further - the quota for education of

foreign citizens), as well as at the expense of individuals and legal entities in accordance with contracts on rendering of paid educational services.

128. Admission to study within the quota for education of foreign citizens is carried out in accordance with the directions of the Federal Executive body responsible for the development of state policy and legal regulation in the field of education. Enrollment for training within the quota for education of foreign citizens is carried out by a separate order (orders) University's.

129. Foreign citizens and stateless persons who are compatriots living abroad have the right to receive higher education on an equal basis with citizens of the Russian Federation, provided that they comply with the requirements stipulated in article 17 of Federal law No. 99 of May 24, 1999 "On the state policy of the Russian Federation in relation to compatriots abroad" (referred to Federal law No. 99).

130. Compatriots living abroad who are not citizens of the Russian Federation are not provided with the special rights granted in accordance with Federal law No. 273 when applying for training in bachelor's and specialist's programs, unless otherwise provided for by an international Treaty of the Russian Federation.

131. When admitting foreign citizens and stateless persons to study using an intermediary language in places under contracts for the provision of paid educational services, the University establishes the following list of entrance examinations:

The name of educational program	List of entrance examinations indicating the priority when ranking the lists of applicants in accordance with paragraph 112 of the Rules	The form of entrance examinations		The minimum number of points confirming the successful completion of the
		entrance examinations for persons entering on the basis of secondary	General education provided by the University independently for certain categories of applicants specified in clause 21 of the Rules, and persons entering on the basis of vocational education	
Higher education - Specialist's degree				
31.05.01 General medicine	Chemistry (1)	–	Testing using remote technology	40
	Biology (2)			50
31.05.02 Pediatrics	Chemistry (1)	–	Testing using remote technology	40
	Biology (2)			50

	Biology (2)			36

* numbers in parentheses indicate the priority of entrance examinations established by the University.

132. In the admission of foreign citizens and individuals without citizenship for training under programs of a bachelor degree and programs specialist at the place of contracts on rendering of paid educational services with the use of the intermediate language the University sets two General education entrance examinations, the number of entrance examinations set by the Ministry of education and science of the Russian Federation of 4 September 2014 No. 1204 "On approval of the list of entrance examinations for admitting on educational programs of higher education programs of undergraduate programmes and specialist degrees" in the relevant specialty or field of study in accordance with paragraph 20 of the Rules.

Since the list of entrance examinations for foreign citizens and stateless persons established by the University differs from the list of entrance examinations for other persons, the University independently allocates the number of places for foreign citizens and stateless persons and holds a separate competition for these places.

133. Entrance examinations for foreign citizens conducted by the University independently are held in accordance with the schedule of entrance examinations posted on the University's website and at the Reception Desk.

134. When applying for admission to training a foreign citizen or a stateless person specifies in the application the details of the identity document or identity document of a foreign citizen in the Russian Federation or the person without citizenship in the Russian Federation in accordance with article 10 of the Federal law of 25 July 2002 No. 115 "On legal status of foreign citizens in the Russian Federation" (hereinafter - the identity document of a foreign citizen), and is in accordance with subparagraph 1 of paragraph 59 of the Rules, a copy of the document proving the identity, citizenship, either a scanned copy of the identity document of a foreign citizen.

135. When applying for training in accordance with article 17 of Federal law No. 99, a national shall submit, in addition to the documents specified in paragraph 68 of the Rules, originals or copies of documents provided for in article 17 of Federal law No. 99. When applying for admission to training a foreign citizen or a stateless person specifies in the application the details of the identity document or identity document of a foreign citizen in the Russian Federation or the person without citizenship in the Russian Federation in accordance with article 10 of the Federal law of 25 July 2002 No. 115 "On legal status of foreign citizens in the Russian Federation" (hereinafter - the identity document of a foreign citizen), and submits a copy of the document proving the identity, citizenship, or identity document of a foreign citizen.

136. Foreign citizens who are admitted to study on the basis of international agreements, additionally submit documents confirming their classification as persons specified in the relevant international agreements.
